

American Lincoln Sweeper Parts

The American Lincoln division is now linked with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning equipment that are recognized within the business as durable and strong equipment which suits the requirements of larger infrastructure and heavy industry. Products made in the United States; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind version of floor scrubber. Clark has their production facilities located in Springdale Arkansas. These scrubbers are accessible in the market under the brand name "Encore". American Lincoln can provide machines, components and warranty service for these kinds of scrubbers which have both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice machine of huge distribution centers like for instance Target and Wal-Mart. The 7765 line has earned the respect of many facility managers where results and efficiency count. Lately, this particular floor scrubber model has been used by the architects in various construction jobs like Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this particular sweeper scrubber on location because of the model's utmost performance level and excellent quality for polishing concrete.
