

American Lincoln Scrubber Parts

Presently linked with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning equipment. Within the industry they are recognized in the business as providing durable and strong machines that satisfies all the requirements of larger infrastructure and heavy industry. Products made in America; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind model of floor scrubber. Clark has their manufacturing facilities located in Springdale Arkansas. These types of scrubbers are on the market under the brand name "Encore". American Lincoln could provide warranty service, machinery and parts for these scrubbers which carry both the Clarke and Encore logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for numerous facility managers where efficiency and results count. Recently, this particular floor scrubber model has been used by the architects in different construction projects like for instance Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this sweeper scrubber on location due to the model's supreme performance level and high standard of quality for polishing concrete.
